The regular general town election shall be held on the first Tuesday following the first Monday in November in each odd numbered year.

A preliminary election for the purpose of nominating candidates shall be held on the third Tuesday in September in each odd numbered year, provided, however the town clerk may, with the approval of the town council, reschedule such election to the fourth Tuesday to avoid a conflict with any civil or religious holiday. Whenever a special election to fill a vacancy in the office of mayor is to be held, a preliminary election shall be conducted twenty-eight days proceeding the date established for such special election.

SECTION 7-2: NON-PARTISAN ELECTIONS

All elections for town offices shall be non-partisan and election ballots shall be printed without any party mark, emblem, or other designation whatsoever.

If two or more persons are to be elected to the same office at such regular election, the several

persons, in number equal to twice the number so to be elected, receiving at such preliminary election the highest number of votes for nomination for that office shall be the sole candidates for that office whose names shall be printed on the official ballots.

If the preliminary election results in a tie vote among candidates for nomination receiving the lowest number of votes which, but for said tie vote, would entitle a person receiving the same to have their name printed on the official ballots for the election, all candidates participating in said tie vote shall have their names printed on the official ballots, although in consequence thereof there be printed on such ballots the names of candidates exceeding twice the number to be elected.

(d) Condition Making Preliminary Unnecessary - If at the expiration of time for filing statements of candidates to be voted upon at any preliminary election not more than twice as many such statements have been filed with the town clerk for an office as candidates are to be elected to such office, the candidates whose statements have been filed with the town clerk shall be deemed to have been nominated to such office, and their names shall be voted upon for such office at the succeeding general election, and the town clerk shall not print their names on the ballots to be used at said preliminary election and no other nomination to such office shall be made. The town council shall from time to time, but at least once in each ten years, review such districts to insure their uniformity in number of inhabitants.

SECTION 7-6: APPLICATION OF STATE GENERAL LAWS

Except as expressly provided in this charter and authorized by law, all town elections shall be governed by the laws of the commonwealth relating to the right to vote, the registration of voters, the nomination of candidates, the conduct of preliminary, general and special elections, the submission of charters, charter amendments and

The petition shall be addressed to the town council or to the school committee, shall contain a request for the passage of a particular measure which shall be set forth in full in the petition, and shall be signed by at least two hundred and fifty voters provided, however, that at least twenty-five signatures must be certified from each district. The petition shall be accompanied by an affidavit signed by ten voters and containing their residential address stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form.

(b) Referral to Town Solicitor. - The clerk of the council or the secretary of the school committee, as the case may be, shall forthwith following receipt of each such proposed petition deliver a copy of the petition to the town solicitor. The town solicitor shall, within fifteen days following receipt of a copy of the petition, in writing, advise the town council or the school committee, as may be appropriate, whether the measure as proposed may lawfully be proposed by the initiative process and whether, in its present form it may be lawfully adopted by the town council or the school committee. If the opinion of the town solicitor is that the measure is not in proper form the reply shall state the reasons for such opinion, in full. A copy of the opinion of the town solicitor shall also be mailed to the person designated as clerk of the petitioners committee.

(c) Submission to Town Clerk - If the opinion of the town solicitor is that the petition is in a proper form the town clerk shall provide blank forms for the use of subsequent signers, and shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the town solicitor, together with the names and addresses of the first ten voters who signed the originating petition. Within thirty days following the date the blank forms are issued by the town clerk the petitions shall be returned and filed with the town clerk signed by at least ten per cent of the total number of voters as of the date of the most recent town election. Signatures to an initiative petition need not all be on one paper, but all such papers pertaining to any one measure shall be fastened together and shall be filed as a single instrument, with the endorsement thereon of the name and residence address of the person designated as filing the same. With each signature on the petition there shall also appear the street and number of the residence of each signer.

Within ten days following the filing of the petition the board of registrars of voters shall ascertain by what number of voters the petition has been signed, and what

percentage that number is of the total number of voters as of the date of the most recent town election. The town clerk shall attach to the petition a certificate showing the results of their examination and shall return the petition to the clerk of the council, or the secretary of the school committee, according to how the petition is addressed. A copy of the board of registrars of voters' certificate shall also be mailed to the person designated as clerk of the petitioners committee.

(d) Action on Petitions - Within thirty days following the date a petition has been returned to the clerk of the council, or the secretary of the school committee, and after publication in accordance with the provisions of section 3-9(c), the town council or the school committee shall act with respect to each initiative petition by passing it without change, by passing a measure which is stated to be in lieu of the initiative measure, or by rejecting it. The passage of a measure which is in lieu of an initiative measure shall be deemed to be a rejection of the initiative measure. If the town council or the school committee fails to act with respect to any initiative measure which is presented to it within thirty days following the date it is returned to it, the measure shall be deemed to have been rejected on such thirtieth day. If an initiative measure is rejected, the clerk of the council, or the secretary of the school committee, shall promptly give notice of that fact to the person designated as the clerk of the petitioners committee, by certified mail.

(e) Supplementary Petitions - Within sixty days following the date an initiative petition has been rejected a supplemental initiative petition may be filed with the clerk of the council or the secretary of the school committee, but only by persons constituting the original petitioners committee. The supplemental initiative petition shall be signed by a number of additional voters which is equal to five percent of the total number of voters as of the date of the most recent town election, provided, however, the signatures on the initial petition filed under sub-section (c), above, and the signatures on the supplemental petition filed under this sub-section, taken together, shall contain the signatures of at least fifteen percent of the total number of voters in the town and in each of the districts into which the town is divided for the purpose of elections. If the number of signatures to such supplemental petition is found to be sufficient by the town clerk, the town council shall call a special election to be held on a date fixed by it not less than thirty nor more than ninety days following the date of the certificate of the town clerk that a sufficient number of voters have signed the supplemental initiative petition and shall submit the proposed measure, without alteration, to the voters for determination; provided, however, if any other town election is to be held within one hundred and twenty days following the date of the said certificate, the town council may omit the calling of such special election and cause said question to appear on the election ballot at such approaching election for determination by the voters.

(f) **Publication** - The full text of any initiative measure which is submitted to the voters shall be published in a local newspaper not less than seven nor more than fourteen days preceding the date of the election at which such question is to be voted upon. SECTION 7-8: CITIZEN REFERENDUM PROCEDURES

(a) **Petition, Effect on Final Vote** - If, within twenty-one days following the date on which the town council or the school committee has voted finally to approve of any measure a petition signed by a number of voters equal to fifteen percent of the total number of voters as of the date of the most recent general town election and addressed to the town council or to the school committee as may be, protesting against the measure or any part thereof is filed with the secretary of the school committee or clerk of the council the effective date of such measure shall be temporarily suspended. The school committee or the town council shall forthwith reconsider its vote on such measure or part thereof, and, if such measure is not rescinded the town council shall provide for the submission of the question for a determination by the voters either at a special election which it may call at its convenience, or within such time as may be requested by the school committee, or at the next regular town election, but pending such submission and determination the effect of such measure shall continue to be suspended.

(b) **Certain Initiative Provisions to Apply** - The petition described in this section shall be termed a referendum petition and insofar as applicable the provisions of section 7-7 shall apply to such referendum petitions, except that the words "measure or part thereof protested against" shall be deemed to replace the

word “measure” in said sections wherever it may occur and the word “referendum” shall be deemed to replace the word "initiative" wherever it may occur in said sections. The measure, or part thereof protested against, shall be null and void unless a majority of those voting on the question shall vote in favor of the measure or part thereof protested against at the election.

SECTION 7-9: INELIGIBLE MEASURES

The town council may of its own motion, and shall at the request of the school committee if a measure originates with that body and pertains to affairs under its jurisdiction, submit to the voters at any regular town election for adoption or rejection any measure in the same manner and with the same force and effect as are hereby provided for submission by petitions of voters.

SECTION 7-11: CONFLICTING PROVISIONS

The signatures on such petitions shall contain the names of at least ten percent of the voters in each of the districts into which the town is divided for the purpose of elections.

The sheets constituting a petition need not all be filed at the same time. For the purposes of this section such a petition shall be deemed filed whenever the persons responsible for its filing notify the board of registrars of voters, in writing, that the

11. The position of town accountant which has heretofore existed in Weymouth shall, after the assumption of power and authority by the mayor and council, be divided into two separate and distinct functions. The powers of the office which are associated with auditing, including those described in sections fifty, fifty-one, fifty-three and fifty-four A of chapter forty-one of the General Laws shall be assigned to the office of town auditor established by section 2-8(a) of the charter. At least two of the persons appointed to the committee shall have been members of the Weymouth Charter Commission. The committee shall submit a report, with

recommendations, to the mayor and council forthwith following the election held in the year in which this charter is adopted. The review shall be conducted under the supervision of the town counsel, or, by special counsel appointed for that express purpose.

13. Forthwith following the election held in the year in which this charter is adopted the mayor-elect shall appoint seven persons to be a committee to review the town by-laws for the purpose of preparing such revisions and amendments as may be needed or necessary to bring them into conformity with the provisions of this charter and to fully implement the provisions of this charter. Pending the adoption of an ordinance providing such detail the directors of each such department shall have a power to promulgate rules and regulations providing details of the organization of their department as may be necessary to carry out the functions of these departments.

16. Unless continued by an ordinance adopted in conformity with section 5-1 all multiple member bodies shall be abolished as of June 30, 2001, provided, however, or, unless such time is further extended by the mayor and council in accordance with the authority contained in section 9-5 (18), below.

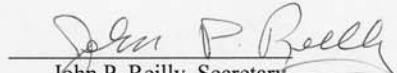

17. Notwithstanding any provision of this charter which might appear to the contrary it is recognized that it will not be possible for the first person elected as mayor to begin at once to exercise all of the powers, duties and responsibilities which are assigned to the office of the mayor. It is recognized that it is in the best interest of the town of Weymouth that such assumption be on a gradual basis as the mayor, town council and other municipal officials are able to adopt ordinances and other regulations as are necessary to implement all of the provisions of the charter.

18. The mayor and town council shall have authority to adopt measures which clarify, confirm or extend any of the transitional provisions in order that such transition may be made in the most expeditious and least contentious manner possible.
