PURPOSE OF MEETING:

The Weymouth Farmer's Market is a community event coordinated by the Town of Weymouth in partnership with the Weymouth Food Pantry. As a publicly run market, we strive to be responsive to the needs of shoppers, vendors, and the community at large. In 2017, the market will enter its 8th season following a year of significant change and expansion. The Steering Committee seeks public input on evaluating these changes and planning for the market's future. There will be a short presentation followed by a forum for public comment. All interested persons are encouraged to attend. For those unable to join, comments may be sent via email to farmersmarket@weymouth.ma.us.
