MEMORANDUM

TO: TOWN COUNCIL
FROM: MAYOR ROBERT L. HEDLUND *RLH*
RE: CPA FUNDING – PURITAN ROAD FLOOD
MITIGATION
DATE: MAY 11, 2017

I submit the following measure for consideration by Town Council:

“That the Town of Weymouth appropriate \$132,500 from the Community Preservation Unreserved Fund (4906-321001) to fund expenses associated with the construction of the Puritan Road Culvert.”

These funds will be used as a 25% match for a Coastal Zone Management grant that the Town is currently pursuing.

At the time of this submittal the balance in the Unreserved Fund is \$944,108.91, which does not reflect the \$586,207.36 expense approved with the passage of Measure 17-023.

This measure requires a legal notice and public hearing
