Report of the Superintendent:

Mr Wargo reported that Mr Meehan, the current principal at Adams Middle School will be the principal of the new Maria Weston Chapman Middle School.

As is true in the wider community COVID numbers are up as is the percent testing positivity. Cases in the school community have gone from 11 to 73. Families are encouraged to keep students with symptoms home. The nurses are very busy with contact tracing in addition to their usual responsibilities.

Mr. Wargo attended a board meeting of the South Shore Educational Collaborative. Fourty Weymouth students are served by the collaborative. They are experiencing staffing shortages as are all organizations. The committee will receive a report on their financial status soon.

In athletics, 43 students got dreamcatcher scholarships this season, bringing the total this year to 70.

The superintendent has been visiting schools and singled out a number of teachers whom he observed doing exemplary work.

Mr. Wargo continues to participate in NSIP (New Superintendent Induction). He is working with his mentor to transition from entry plans to entry findings.

Congratulations to Dennis Jones and Brynn Cooper for a successful Community Connections Night, connecting families in need with services.
