Zoning District: R-1

At a public hearing on 11/16/2022 the Board of Zoning Appeals;

VOTED UNANIMOUSLY TO GRANT A SPECIAL PERMIT under *Weymouth Zoning Ordinance Sections 120-40 (Extension or Change by Special Permit)* to add a handicap compliant addition including a bedroom. Approval is per a survey prepared by Peter Hoyt. and dated 5/23/18 and plan set prepared by contractor, Frederic Peacott.

SPECIAL PERMIT FINDINGS:

The Board found that the proposal met the requirements for a Special Permit under Section 120-122 (D) as follows:

1. The specific site is an appropriate location for such a use. *This lot is in an R-1 residential district. The addition is in keeping with the character and scale of the neighborhood. The side setback in question is already nonconforming and abuts a paper street.*
2. The proposed use or structure will not be detrimental or adversely affect the character or future character of the neighborhood or town. *The addition is very much in keeping with the scale and character of the surrounding neighborhood. Relief on the side setback can*

be granted as the property abuts a paper street and will not negatively impact a neighboring home.

3. *There is not a potential for nuisance or serious hazard to vehicles or pedestrians. The availability of off-street parking will not be impacted.*
4. *There are adequate and appropriate facilities, utilities and other public services provided for the proper operation of the proposed use. All work will be done in conformance with Town of Weymouth Building Code and under the supervision of the Department of Public Works.*
5. *That the public convenience and welfare will be substantially served with the proposal. The existing house is relatively small. The addition will provide needed additional living space and allow for easier care of a special needs resident.*

CONDITIONS:

1. Exterior wall will not include widows and will be constructed to one hour fire rating per building and fire codes.

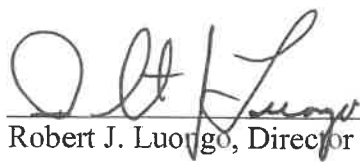

Under MGL Chapter 40A, Section 11, the approval of the Board of Zoning Appeals will NOT take effect until it has been recorded in the Norfolk Registry of Deeds.

After the twenty (20) day appeal period has passed, the Town Clerk will send to the petitioner: (1) the certificate that no appeal was filed, (2) the certificate of granting of variance and/or special permit. The petitioner shall record these documents with the Norfolk Registry of Deeds, Dedham, MA, with the appropriate filing fee.

When a receipt from the Registry of Deeds is presented to the Building Inspector (to show that the decision has been recorded), the proper permit will be issued.

Decision filed with the Town Clerk on **January 11, 2023**

IMPORTANT: Notice is further given that any person aggrieved by this decision may appeal, according to MGL Chapter 40A, Section 17, and said appeal, if any, must be filed with the Town Clerk within twenty (20) days after the filing of the decision with the Town Clerk.
