Zoning District: R-1

At a public hearing on 4/14/2021 the Board of Zoning Appeals;

VOTED UNANIMOUSLY TO GRANT A SPECIAL PERMIT under *Weymouth Zoning Ordinance 120.40 – exchange or change by special permit*

The decision of the Board is based on a site plans dated 2/21/21 prepared by Hoyt Land Surveying, and architectural plans dated 2/9/20 prepared by Alan Kearney Architects to extend the third floor living space.

FINDINGS:

The Board found that the proposal met the requirements for a Special Permit under Section 120-122 (D) as follows:

1. The specific site is an appropriate location for such a use. *This is an addition to an existing single-family home in an R-1 District. The project finishes an existing third floor.*
2. The proposed use or structure will not be detrimental or adversely affect the character or future character of the neighborhood or town. *The Board found that many houses in the immediate area were originally built and used as inns and bed and breakfasts and that third floors are not uncommon.*

3. There is not a potential for nuisance or serious hazard to vehicles or pedestrians. *The project will not impact the availability of off-street parking. Currently at least two spaces exist.*
4. There are adequate and appropriate facilities, utilities and other public services provided for the proper operation of the proposed use. *The addition will be constructed in accordance with all Town of Weymouth Building Codes and all DPW sewer requirements.*
5. That the public convenience and welfare will be substantially served with the proposal.

CONDITIONS:
