FOR IMMEDIATE RELEASE

**Weymouth COVID-19 Orders, Directives and Guidance Extended to May 4**  
(Focus remains on staying home and social distancing to slow the spread of COVID-19)

---

In line with new COVID-19 pandemic guidance from the federal government as well as Governor Baker, Weymouth is extending all existing COVID-19-related orders, directives and guidance to at least May 4, 2020.

This action is being taken out of an abundance of caution in light of sharp increases in confirmed positive COVID-19 cases, the likely high number of unknown positive cases, and predictions from health experts that positive cases will rise substantially for at least two more weeks.

This means the following restrictions and closures will remain in effect until at least May 4:

- **All Town Buildings are Closed to the Public**
  - All town offices remain remotely open for business
- **All Playgrounds, Courts, and Rinks are Closed to the Public**
  - Parks remain open – social distancing must be followed (stay 6 feet apart)
- **All Town Organized Programming is Cancelled or Postponed**
  - Including Libraries, Parks and Recreation, Senior Center, and Teen Center
- **All Non-Essential Service Businesses are Closed**
  - A list of Essential Services (per Gov. Baker) can be found at this link:  
<https://www.mass.gov/info-details/covid-19-essential-services>

The most effective means to slow the spread of COVID-19 is to stay home. When you must leave home for essential needs (food, medicine, essential work, fresh air/exercise), it is critical to keep social distance from others (at least six feet). Please also continue to wash your hands often, avoid touching your face, sanitize surfaces, cover your mouth, and stay home if you are sick.
