

The American Rescue Plan Act (ARPA) is the federal government's response to the COVID-19 pandemic. \$350 billion is going to state and local governments to respond to and recover from the COVID-19 emergency. ARPA will directly deliver \$17,804,215 in federal funding to the Town of Weymouth to aid in our response and economic recovery. Up to an additional \$11,216,484 is expected to be delivered to Weymouth through Norfolk County's ARPA allocation.

Mayor Hedlund wants to hear from you, the residents of Weymouth! This survey is your chance to share your priorities and ideas for how Weymouth invests this funding so that it has the most positive impact on our community.
