RE: Follow Up to *Notification of Unplanned Natural Gas Release*
Algonquin Gas Transmission, LLC
Weymouth Compressor Station (Transmittal No. X266786)

Dear Mr. Cushing:

Algonquin Gas Transmission, LLC (Algonquin) was issued Air Quality Plan Approval - Transmittal No. X266786 (the Plan Approval) by the Massachusetts Department of Environmental Protection (MassDEP) on August 26, 2019. The Plan Approval authorizes the construction and operation of the Weymouth Compressor Station, 50 Bridge Street, Weymouth, Massachusetts.

This letter is a follow up to the notification for the unplanned gas release that occurred on September 30th, 2020. The estimated volume of gas that was released during this event is 195,000 standard cubic feet (scf) and included approximately 27 pounds of volatile organic compounds (VOC).

If you should have any questions, please contact the landowner information line at (888) 331-6553.

Sincerely,

A handwritten signature in black ink that reads 'Roy Taylor'.

Roy Taylor – Director Field Operations, Northeast Region
