RE: *Notification of Extended Construction Hours*
Algonquin Gas Transmission, LLC
Weymouth Compressor Station (Transmittal No. X266786)

Dear Mr. Cushing:

Algonquin Gas Transmission, LLC (Algonquin) was issued Air Quality Plan Approval - Transmittal No. X266786 (the Plan Approval) by the Massachusetts Department of Environmental Protection (MassDEP) on August 26, 2019. The Plan Approval authorizes the construction and operation of the Weymouth Compressor Station, 50 Bridge Street, Weymouth, Massachusetts.

In accordance with Table 12, Condition 9, Algonquin is required to provide 48 hours advance notice to the Town of Weymouth and MassDEP prior to commencement of any commissioning activity that will occur outside the hours of 7 AM to 7 PM. On Monday and Tuesday of next week, September 28th through October 4th, there is the potential necessity for some activities to run past 7 PM. In addition, as part of the commissioning process, the turbine will continue the 100-hour run, which involves operating the unit for approximately 100 hours with intermittent stops as needed for inspection. Therefore, continuing September 28th and extending through Sunday, October 4th, commissioning activities will occur up to 24 hours per day.

If you should have any questions, please call the landowner information line at (888) 331-6553.

"I certify that I have personally examined the foregoing and am familiar with the information contained in this document and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including possible fines and imprisonment."

Sincerely,
