Community Development

WHEN:

Thursday, February 10, 2022 at 6:00 PM

PLACE:

Tufts Library, Room 138
46 Broad Street

PURPOSE OF MEETING:

The Office of Planning and Community Development will be hosting a second informational meeting to discuss efforts to revitalize the Jackson Square business district. Staff will recap the presentation given at the first meeting and provide updates based on feedback. This is a continuation of a discussion that began last year during the public planning process centered around the Jackson Square Land Use Study prepared by Harriman and Associates. The goal of this meeting is to discuss ways to update zoning to encourage private investment in the neighborhood while also improving the condition of the critical environmental resources in the area. There will be an open Q&A, and Town staff from the Department of Planning and Community Development will be in attendance.
