Engineers & Planners

WHEN:

Wednesday, April 18, 2018 at 7:00 PM

PLACE:

Town Council Chambers
75 Middle Street, Second Floor
Weymouth, MA 02189

PURPOSE OF MEETING:

Bristol Bros. Development Corp. will design and construct a signalized intersection at the crossing of Libbey Industrial Parkway and Pleasant Street in Weymouth. Completion of this project is required by the Weymouth Board of Zoning Appeal's Special Permit Decision regarding the Alexan at Arbor Hill Development. The project's design is currently under development by McMahon Transportation Engineers & Planners, and will be presented to the public so residents may become acquainted with the project's scope and preliminary schedule. There will be an open Q&A, and Town staff from the Department of Planning and Community Development will be in attendance. The full meeting will be recorded and available for viewing online at <http://weymouth.tv/>.
