Monday, April 10th
Town Council Chambers, 2nd Floor
Weymouth Town Hall
6:00 PM

Mayor Hedlund and the Department of Planning and Community Development are conducting a comprehensive self-assessment workshop using the Economic Development Self-Assessment Tool (EDSAT), facilitated by Northeastern University. Invitees from town departments and agencies and area service providers will contribute to the discussion.

The workshop will last approximately two and a half hours.

The Dukakis Center at Northeastern University developed a practical method for helping cities and towns analyze their capacity for economic development known as "EDSAT" (the Economic Development Self-Assessment Tool). EDSAT is a confidential online self-assessment mechanism for evaluating and interpreting a municipal jurisdiction's characteristics and processes directly linked to the factors affecting local investment.

1. Introduction by Moderator Catherine Tumber (Senior Research Associate, Dukakis Center for Urban and Regional Policy at Northeastern University)
2. Discussion and participation by invitees
