Core labs, electives

Open Forum

Maria Weston Chapman Middle School

Matthew Meehan, Principal

Joseph Amoroso, Assistant Principal, Gr. 6

Andrew Materna, Assistant Principal, Gr. 8

Minutes of 11/14/22

Jennifer Dolan, Associate Principal

Ralph Bruzzese, Assistant Principal, Gr. 7

Maureen Sullivan, Special Ed. Dept. Head

- Title 1: form came out a while ago but parents might need more information especially if you are waiting for/need more signed consent.

MWC is a Title 1 School, Title 1 supports interventionist, dual teaching model Math/Ela

- Conferences: I know with a large school/classes it is difficult but many parents did not get in to see teachers. Is there any way around this?

Specific time limitations for conferences due to contract.

- Teacher emails: the district website is so difficult to navigate. I know they are looking into making changes but in the meantime, could students get a list of each of their child/Children's team teacher's email addresses? (This could also help with frustration over the lack of conferences)

In progress. All emails are [first name.last name@weymouthschools.org](mailto:first.name.last.name@weymouthschools.org)

- I saw on Facebook some parents discussing their child's buses being called late or not called at all resulting in kids missing the bus. Wondering if you can offer clarification on this so that if we see this issue come up again we can provide insight for those who are frustrated.

Students are dismissed in order of their bus arrival beginning at 2:45.

Students wait in their last class, the bus number is announced over the PA as well as on the screen in their classroom. Walkers/Riders are

dismissed at 2:50, and all students at 2:55. If buses are extremely late parents are notified via test.
