

**SUBSTANTIAL AMENDMENT TO THE 2019-2020 ANNUAL ACTION PLAN
COMMUNITY DEVELOPMENT GRANT PROGRAM**

Public Hearing is on July 28, 2021
McCulloch Building
182 Green Street
Room 10
6 PM

Substantial amendment:

The Town will transfer about \$50,000 in Community Development Block Grant funds available under the CARES Act from its Small Business Grant Program to its Emergency Housing Assistance program to help income qualified residents pay rent and mortgage costs. Such CDBG funds must be used to prevent, prepare for, or respond to the coronavirus. Emergency housing assistance is needed to help residents address financial constraints related to the pandemic like job loss, illness, etc. While there have been an insufficient number of applications for SBG assistance, the need for Emergency Housing Assistance remains high.
