PLEASANT STREET ROADWAY PAVING

Scheduled for Thursday, October 26, 2023

PROJECT OVERVIEW

The Town of Weymouth is working with Green International Affiliates, Inc. to improve the safety of pedestrians and vehicular traffic movements through Columbian Square; as well as to create a vibrant, walkable atmosphere spurring commerce within the historic village center. Mayor Hedlund has committed American Rescue Plan Act (ARPA) funds awarded to the Town of Weymouth for the completion of this project.

PLANNED CONSTRUCTION ACTIVITIES

The construction schedule for the Columbian Square Improvement Project has been altered, construction crews are scheduled to begin **roadway paving on Pleasant Street, Thursday, October 26, 2023, starting at 6:00AM** in front of the Post Office (#84 Pleasant Street). Work will proceed east over the course of the day; and regular work hours may extend into the evening. While disruptions are inevitable, roadway paving will be phased in a method to minimize inconvenience to residents and businesses in the work zone. Minor delays will take place as paving moves toward #134 Pleasant Street (C.C. Shepherd Funeral Home).

- **DETOUR & Parking Restrictions:** A one-way traffic management plan will be utilized, and eastbound traffic on Pleasant Street will detour right at Central Street, then left at Camelot Way onto Union Street and left back onto Pleasant Street. **Please note, there will be no curbside parking on Pleasant Street while this work is underway. Temporary "NO PARKING" signs will be installed and any vehicles parking in this area will be ticketed and towed.** Available parking will be located at the Municipal Town Parking lot off Chauncy Street and Camelot Way. This detour will be lifted when paving operations are complete.
- **Construction Impacts:** To reduce impacts as much as possible, it is encouraged that motorists seek alternate routes and expect brief traffic delays to facilitate efficient work and follow posted detour signage and instructions from the Police Detail Officers that will be present. Sections of Pleasant Street will be re-opened as new asphalt cures.

The entire roadway reconstruction process is planned to be completed by early-to-mid-November 2023, weather permitting. **Ambulances and school buses will be given priority access through the work zone.** Police detail officers will be on site to facilitate safe pedestrian and vehicle movements throughout the project area.
