It is anticipated that later in the week construction crews will mobilize to the intersection of Union Street and Pleasant Street to begin drainage work between Union Street and Camelot Way. This work will continue into the week of May 15, 2023. It may be necessary to implement a detour of southbound traffic from the intersection of Union Street and Pleasant Street to Central Street, from Central Street to Camelot Way back to Union Street. Police detail officers will assist safe vehicle and pedestrian traffic through the area. Please expect delays as reduced speeds will be necessary to facilitate a safe flow of traffic.
