WEEKLY ANTICIPATED CONSTRUCTION SCHEDULE

July 10 - 14, 2023

PROJECT OVERVIEW

The Town of Weymouth is working with Green International Affiliates, Inc. to improve the safety of pedestrians and vehicular traffic movements through Columbian Square; as well as to create a vibrant, walkable atmosphere spurring commerce within the historic village center. Mayor Hedlund has committed American Rescue Plan Act (ARPA) funds awarded to the Town of Weymouth for the completion of this project.

PLANNED CONSTRUCTION ACTIVITIES

On Monday, July 10, 2023, construction crews will be replacing the water service line for 95 Pleasant Street, which is located on Chauncy Street. It is anticipated that construction crews will relocate to the corner of Chauncy Street and Pleasant Street on Tuesday, July 11, 2023, to install an additional water service line. **Due to the location of the work, it will be necessary to close Chauncy Street to thru traffic.** On Wednesday, July 12, 2023, it is anticipated that the construction crew will relocate to Pleasant Street to replace water service lines for 101 and 103 Pleasant Street. Traffic will be managed utilizing a two-way traffic management plan. Police detail officers will be on site to facilitate safe pedestrian and vehicle movements through the work zone.

****Note: There will be a temporary disruption of the water service to the adjacent properties while this work is underway.****

On Monday, July 10, 2023, a second crew will install electrical and Comcast conduits in the intersection of Columbian Street, Pleasant Street and Union Street. This work is anticipated to continue throughout the week. Traffic will be managed utilizing a two-way traffic management plan. Police detail officers will be on site to facilitate safe pedestrian and vehicle movements through the work zone.

Construction Work Hours Monday – Friday, 7 AM – 4 PM
