PROJECT OVERVIEW

The Town of Weymouth is working with Green International Affiliates, Inc. to improve the safety of pedestrians and vehicular traffic movements through Columbian Square; as well as to create a vibrant, walkable atmosphere spurring commerce within the historic village center. Please note, there will be no curbside parking on Columbian Street while this work is underway. **Temporary “NO PARKING” signs will be installed and any vehicles parking in this area will be ticketed and towed.** Available parking will be located at the Municipal Town Parking lot off Chauncy Street and Camelot Way. **No construction activities are scheduled for November 23rd and 24th (Thursday – Friday) in observation of Thanksgiving.**

Monday through Wednesday (11/20/2023 – 11/22/2023), a secondary crew will be working near the intersection of Pleasant Street, Columbian Street, and Union Street to install conduits for traffic signals and street lighting. A detour will not be required, however, to reduce impacts as much as possible, it is encouraged that motorists seek alternate routes and expect brief traffic delays to facilitate efficient work and follow posted detour signage and instructions from the Police Detail Officers.

The entire roadway reconstruction process is planned to be completed by early-December 2023, weather permitting. **Ambulances and school buses will be given priority access through the work zone.**
