WEEKLY ANTICIPATED CONSTRUCTION SCHEDULE ** JANUARY 2024 **

PROJECT OVERVIEW

The Town of Weymouth is working with Green International Affiliates, Inc. to improve the safety of pedestrians and vehicular traffic movements through Columbian Square; as well as to create a vibrant, walkable atmosphere spurring commerce within the historic village center. Mayor Hedlund has committed American Rescue Plan Act (ARPA) funds awarded to the Town of Weymouth for the completion of this project.

PLANNED CONSTRUCTION ACTIVITIES

Construction Work Hours:

Monday – Friday: 7:00AM – 4:00PM

Beginning on Monday, January 8, 2024, the Contractor is anticipated to begin scaling back on construction activities for this month due to natural winter weather conditions setting in. *National Grid, Comcast and Verizon* will have a presence throughout the month preparing for the removal of two critical utility poles that need to be removed in the intersection.

As construction approaches closeout for the winter season, streetscape improvements, including the installation of new sidewalks and curbing are scheduled to resume in the spring of 2024.
