Chairman DiFazio called the Budget/Management Committee meeting to order at 7:15 p.m.

**07-029 – Bond Authorization/Extraordinary Repairs to Parks**

A discussion was held on the requests for information on Measure 07-029. Chairman DiFazio entertained comments and/or questions to finalize.

Councilor Kay stated she thought the questions were very good, but were somewhat redundant, noting the need to group some of the items together.

Chairman DiFazio requested of Councilor Kay to re-group the questions in accordance with her suggestions.

Councilor Molisse noted that he thought some of the questions go beyond the authority of the Budget/Management Committee, and that a good number of the questions should be directed to full Council and not just the Budget/Management Committee.

Chairman DiFazio stated that the reasoning was to obtain everything in writing, rather than presenting the questions later and not having time to deliberate.

Chairman Leary stated that he was in agreement with Councilor Molisse, however, he noted the inability to vote until the whole picture is seen, prior to coming before the entire Council.

Councilor O'Connor further added that he agrees with Mr. Molisse's position, but noted there being no downside to having all the questions presented.

Chairman DiFazio made a MOTION to approve the Request for Information on Measure 07-029, as amended- by grouping some of the questions by Councilor Kay. Seconded by Councilor O'Connor.

Motion 4 – 1 (Councilor Molisse dissenting vote )- MOTION PASSES.

**Adjournment**

At 7:35 p.m., there being no further business, a MOTION to ADJOURN was made by Councilor Kay, seconded by Councilor Leary and UNANIMOUSLY VOTED.
