

Coffee with a COP

***The Weymouth Police Department
is proud to introduce "Coffee with a COP"!***

Weymouth Residents and Business Owners are invited to participate

Weymouth Residents and Business Owners are invited to exchange information to address issues, concerns and gather input about our community through personal interaction with the Community Outreach Department of the Weymouth Police Department.

- Learn about Police Department functions, units and offerings available to the community
- Officers actively listen and address concerns of the public
- Enjoy a one-on-one conversation over a cup of coffee (or tea!) in an informal setting for an educational and informational experience for both Police Officers and Weymouth's Citizens

Simply fill out this form and submit via mail, drop-off or e-mail to Sgt. James St. Croix
