D. F. Haviland Lane – Sheet 30, Block 282, Lot 31

Mr. Fuqua stated that this case was before the Board of Appeals and was approved to be subdivided. The plan was prepared by the surveyor according to the deed for this property. Other Business

Capital Improvement Plan – update

Mr. Fuqua stated that he did not have anything to hand out yet. He noted that all the departments have submitted their requests. The spreadsheet has been created. All department heads will review this and hearing dates will be scheduled on 11/13/07.

Naming of the connector road

Mr. Clarke stated that this issue had been discussed a few months ago. He noted that the attempt is to have the connector road have the same name in Braintree and Weymouth. The issue is that there is already a Tabor Court in Braintree. Mr. Clarke suggested that Tabor Ct. be moved and the connector road be named Frank Lloyd Wright Way.

Mr. Clarke stated that state law requires a hearing for changing the name of a street. However, this would involve just the naming of the new connector road. If the moving of Tabor Court requires it, a public hearing would be held.

Mr. Clarke stated that he has spoken to Braintree officials regarding this change. He stated that these officials are not opposed to the name.

There was discussion regarding the name Tabor and that there are family members still living in the area. Mrs. Akoury questioned if any members of the Tabor family have been contacted regarding the proposed name change. Mr. Clarke agreed to contact the Tabor family.

The Board's consensus was that as long as there is a Tabor Court in the Landing area, the name changing as discussed was acceptable. It was decided that a vote be taken on 11/13/07.

Central Square Commons

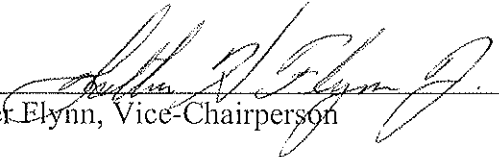

Mr. Flynn informed the Board that there will be an informal meeting on 11/1/07 regarding the proposal for the Clapp Building.

Planning Board - October 30, 2007

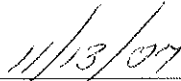

Mrs. Akoury asked if the abutters have been notified. Mr. Fuqua stated that there will be a public hearing regarding this issue on 11/13/07.

Adjournment

At 8:15 pm, there being no further business, a MOTION was made by Frank Hawkins to adjourn and was seconded by Ms. Akoury, and UNANIMOUSLY VOTED.
