MEMORANDUM

TO: Town Council

FROM: Owen MacDonald, Traffic Engineer , Lt. Brian Morse, WPD

COPY: Ted Langill, Chief of Staff, Bob Luongo, Planning Director

DATE: May 10, 2023

SUBJECT: Parking Restriction – Lane Beach Vicinity

Purpose: Currently there are no regulations restricting parking on streets near Lane Beach. As a result, beach goers who do not want to pay the lot permit fee can park legally on these streets, which can result in congestion on summer days.

Proposal: Prohibit parking at all times on segments of River Street, Neck Street, Regatta Road, Beach Road, and Fort Point Road (anticipating acceptance of Fort Point Road as a public way).

Background: Last summer, the Mayor's Office and the Police Department received numerous complaints of vehicles parked on the street in the vicinity of Lane Beach. In response, the Police Department enacted a temporary "NO PARKING" regulation where this on street parking was observed, as authorized by Town of Weymouth Code of Ordinances, Section 13-103(c). Since it is anticipated that similar on-street parking would re-occur in subsequent summers if no action is taken, it is desirable that permanent parking restrictions be enacted and appropriate signs posted
