Robert Luongo, Director of Planning and Community Development  
rluongo@weymouth.ma.us, 781-340-5015

Weymouth, MA – The future of Colombian Square on Tuesday, April 5<sup>th</sup> is the topic of a community meeting and conversation sponsored by the Town of Weymouth's Planning and Community Development Department. The community meeting will be held at 7 p.m. in the Humanities Room at Weymouth High School (maroon side, entrances 13 and 14) on Wildcat Way. All are welcome.

Through a grant secured from the MA Department of Housing & Community Development to undertake a Parking, Land Use and Marketing Study, the Town retained the services of the McCabe Enterprises' team, including Pare Corporation and Paul Lukez, Architecture. This study builds upon multi-year planning and design efforts to improve the major intersection in Colombian Square scheduled to start construction later this year.

This will be the first community meeting for residents and businesses to express their views, concerns, and needs regarding Colombian Square. The McCabe Enterprises consultant team will share preliminary findings on the parking surveys currently underway.

**Mayor Hedlund commented,** "Strengthening and enhancing Colombian Square for businesses to prosper and better serve local residents has always been a major priority for this administration."
