Mayor Hedlund Announces New Series of Community Events

Contact(s): Ted Langill, Chief of Staff
tlangill@weymouth.ma.us, 781-340-5012

Following the success of last year's Weymouth 400 programming, Mayor Robert Hedlund is excited to announce a new series of community events in 2023, hosted by the Town of Weymouth. The Town will host Food Truck Fridays, live concerts, a Water Lantern Festival, and other events throughout the year, with Deputy Director of Events Donnie Norton and Special Events Coordinator George Raymond organizing the programs.

"Weymouth 400 put together an exciting series of events for our community during Weymouth's 400th anniversary year, and I thank the committee for their work and for laying a strong foundation for the Town" **said Mayor Robert Hedlund**. "As we enter year 401 and beyond, we want to continue the excitement the Weymouth 400 activities brought to our community and add events to our roster of successful Town sponsored community events, which already includes programs such as the 3rd of July and Pumpkin Give-a-Wey."

The Town has created a dedicated Facebook page for event information called "What's Up Weymouth?" and events kick-off at Town Hall on Friday, May 5th at 5pm with Food Truck Friday, featuring Pat Dowling Music.
