Weymouth, MA – Mayor Robert Hedlund and the Community Events Committee are seeking volunteers for Weymouth's Annual Community Clean-Up Day being held this year on Saturday, April 24, 2021, from 9:00 am-Noon.

Residents, Civic Associations, local businesses, youth groups, community groups and leaders have supported this great event in the past, and we continue to grow each year.

Our goal is to remove trash and debris from public parks, playgrounds, schools, beaches and neighborhoods in an effort to clean up our community and promote community pride in the Town of Weymouth.

"Community Clean-Up Day is a great opportunity for all of us in Weymouth to come together to show our community pride by working collectively to beautify the town in which we live," **said Mayor Robert Hedlund.**

Gloves and trash/yard waste bags will be available at the DPW, 120 Winter Street, from 8:00 am-9:00 am on the morning of April 24th, for all registered projects. Volunteers are encouraged to bring their own yard clean-up equipment, i.e., rakes, leaf blowers, brooms and shovels, on that day.

All participants must abide by COVID safety protocol, including, but not limited to, maintaining a 6-foot social distance, wearing face coverings, washing hands, or using 60% alcohol based hand sanitizer. We also ask all groups not to congregate after the event.

Due to COVID Guidelines, a Grab-n-Go Lunch will be provided for all volunteers from Noon until 1:30 pm. Individual lunches will be distributed, via drive-through, at the horseshoe driveway in front of Abigail Adams Middle School, 89 Middle Street.

For more information about Weymouth's Community Clean-Up Day and to register, please contact the Mayor's Office at 781-340-3618.
