Weymouth, MA – Mayor Robert Hedlund and the Community Events Committee are seeking volunteers for Weymouth's Annual Community Clean-Up Day being held this year on Saturday, April 22, 2023, from 9:00 am-Noon.

Residents, Civic Associations, local businesses, youth groups, community groups and leaders have supported this great event in the past, and we continue to grow each year. All participants must register by on or before April 19th, 2023.

Our goal is to remove trash and debris from public parks, playgrounds, schools, beaches and neighborhoods in an effort to clean up our community and promote community pride in the Town of Weymouth.

"I invite Weymouth residents to come together to show their community pride by working collectively to beautify the town in which we live." **said Mayor Robert Hedlund.**

Gloves and trash/yard waste bags will be available at the DPW, 120 Winter Street, from 8:00 am-9:00 am on the morning of April 22nd, for all registered projects. Volunteers are encouraged to bring their own yard clean-up equipment, i.e., rakes, leaf blowers, brooms and shovels, on that day.

Lunch will be provided for all volunteers from noon until 1:30pm at King Oak Hill Park, Emery Lane, Weymouth, immediately following the event.

For more information about Weymouth's Community Clean-Up Day and to register, please contact the Mayor's Office at 781-340-3618.
