Weymouth, MA – Mayor Robert Hedlund and Robert Luongo, Director of Planning & Community Development, invite the public to attend a presentation on the results of a study regarding traffic and parking in Jackson Square.

“As promised during discussions regarding zoning changes in Jackson Square, the Town and developers with interest in the Square have funded a study focused on the transportation needs to accommodate the anticipated changes in the area,” **said Mayor Robert Hedlund**. “We invite the public to come see the results of the study and better understand how traffic flow and parking will be addressed as the Square is redeveloped.”

A presentation will be made with draft recommendations related to traffic circulation, parking supply, parking management, and pedestrian and bicycle accommodations in Jackson Square.

The public is invited to the presentation on March 9th at 6:30pm. The meeting will be held in Council Chambers, on the second floor of Town Hall.

For further information, please contact the Weymouth Planning and Community Development Department at 781-340-5015 or visit www.weymouth.ma.us/planning.
