RE: Proposed Amendment to Zoning and Land Use for the former NAS South Weymouth

The Southfield Redevelopment Authority (the "SRA") is party to that certain Amended and Restated Exclusive Negotiation Agreement with BPD Union Point LLC (the "Master Developer"), dated as of June 22, 2021 and extended by a notice of extension dated May 11, 2022 (as so extended, the "ENA"). As contemplated by the ENA, the Master Developer has been working with the SRA to update the Redevelopment Plan for the former Naval Air Station, South Weymouth ("NAS") and to develop an updated Zoning Map and By-Laws that will implement the visions set forth in such Redevelopment Plan to facilitate the redevelopment of NAS.

As you know, the SRA held two (2) public meetings, one on March 15, 2023 and the other on March 29, 2023 to review the Redevelopment Plan and the proposed Zoning By-Laws. The SRA unanimously approved the new Redevelopment Plan on March 15th and unanimously voted to endorse and approve the proposed Zoning Map and By-Laws on March 29th. Enclosed are copies of the Zoning Map and By-Laws (including the Master Development Plan Materials) that have been endorsed and approved by the SRA.

On behalf of the SRA, I am writing to request that, pursuant to Section 14(c) of Chapter 291 of the Acts of 2014 (the "Enabling Legislation"), the Mayor of Weymouth, as a party authorized to initiate a major zoning revision under the Enabling Legislation, submit a petition requesting that the Weymouth Town Council adopt the enclosed materials as the new zoning for NAS in accordance with all applicable provisions of the Enabling Legislation and Massachusetts General Law chapter 40A, Section 5A.

We look forward to continuing our joint efforts to facilitate a vibrant redevelopment of NAS.

Sincerely,

Thomas J. Henderson, Chairman
Southfield Redevelopment Authority

RE: Southfield Zoning Timetable

DATE: March 30, 2023

A handwritten signature in black ink, appearing to be 'T Langill', is written over the 'FROM' line of the memorandum.

Today, Mayor Hedlund is introducing a proposed Zoning Amendment for the South Weymouth Naval Air Station (NAS) as proposed by the redevelopment team of New England Development and Brookfield Properties and approved by the Southfield Redevelopment Authority.

As you know, Town Council has 90-days to review/act on the zoning measure once filed with the Town Clerk. Given the tight timeframe as we also navigate the budget process, town meeting and other issues, we have drafted a proposed schedule for this Zoning Amendment. Hopefully this will also be helpful in scheduling Ordinance subcommittee meetings, which we respectfully ask be scheduled with enough reasonable notice to ensure the redevelopment team may attend.
