2018 General Permit Application Requirements Renewals are due December 15th

Dear Applicant:

Please see the information below regarding Health Department Permit Applications. If you have questions or concerns regarding the process please contact us at 781-340-5008.

PERMIT INSTRUCTIONS

1. Complete the application form. Be sure your signature and FID (tax number or social security number) at the end of the application is legible.
2. Complete the Workers Compensation Insurance Affidavit.*
3. Provide a copy of your Worker's Compensation declaration page (obtained from your insurance agent).
4. Enclose a check payable to the "**Town of Weymouth**" for the appropriate fee total.

* If you are a sole proprietor with no employees, other than immediate family, Workers Compensation Insurance is not required however you must still complete the affidavit.

** You must supply your own copies of all certifications with your packet even if you believe we have them on file.

Once complete, please return all information to the Weymouth Health Department, 75 Middle Street, Weymouth, MA 02189. Applications must be received by December 15, 2017. **Incomplete applications will be sent back to you.**

Sincerely,

Daniel McCormack, R.S., C.H.O.
Director of Public Health
