The Town of Weymouth established the Weymouth Scholarship Fund to provide assistance to Weymouth residents pursuing post-secondary education. Awards are made to graduating high school seniors, presently attending college students and adults returning to college for retraining or to pursue graduate degrees. Scholarship Funding is possible because of voluntary contributions made by citizens, organizations, corporate sponsors and others.

Scholarship Fund News:

At the May Annual Town Meeting the Scholarship Fund Committee awarded 51 Weymouth residents scholarships to help with college tuition. A total of \$81,452 was awarded to 35 high school seniors from public and private high schools including vocational/technical students, 7 students currently enrolled in college earning undergraduate degrees and 3 adult residents enrolled in graduate programs. In addition, 6 former recipients of the Salvatore and Maria Pizzi Family Foundation Scholarships renewed their previous awards.

Since 1992 the Scholarship fund has awarded over \$850,000 in scholarships to assist Weymouth residents pursuing post-secondary education. These scholarships would not be possible without the support from Weymouth residents who donated to the Fund and from the businesses, organizations and others who sponsored a scholarship.
