

LIBRARIES ROCK!™

NAME _____

AGE _____ PHONE _____

The form consists of a 4x4 grid of 16 identical circles. Each circle is divided into four equal quadrants by a vertical line and a horizontal line that intersect at the center. The circles are arranged in four rows and four columns.

Each circle represents 1 hour of reading. Color in one pie wedge for each 15 minutes read. Bring this log to the library each time you visit to receive your beads. Turn your log in at the end of Summer Reading to be entered into our grand prize drawing for a Kindle Fire. All logs must be received by Friday, August 17th at 5 PM.
