MEMORANDUM OF UNDERSTANDING

It is understood that on this day _____ that _____ intends to participate in the Town of Weymouth "Adopt-a-Green" Program and takes responsibility for the maintenance of the designated green.

Endorsement of this Memorandum of Understanding shall imply agreement to the following conditions:

1. Green maintenance shall commence on May 1st and continue through to the first frost in October. Maintenance responsibilities include: mowing, planting, weeding, flowerbeds, watering, raking and maintenance of the designated area.
2. If planted items perish during the course of the program, they must be removed or replaced as needed.
3. Participant signs will be installed by the DPW and will be removed at the end of the season.
4. No personal items, with the exception of the designated sign, are allowed on town islands. No plastic plantings or decorations may be used. Seasonal decorations are acceptable.
5. Renewal applications will be emailed to all participants in February.

Sponsor Signature

If the application **is not received** by the above deadline, the island will go back to the pool available for adoption.
